DON BOSCO

(1815-1888)

His vision ... our inspiration

Saint John Bosco, popularly known as Don Bosco was born at Becchi, in Piedmont, Italy, on August 16, 1815. From a very young age, he had decided that he had been called to work for the poor boys of that era, when Europe was under the grip of the Industrial Revolution, and many young people who came to the cities to study or in search of work who fell an easy prey to the many social evils of the time. After being ordained a priest of the Catholic Church in 1841, Don Bosco came to the rescue of these poor boys with his novel method of educating youth through total dedication and personal involvement in their lives and problems.

To ensure that his total dedication to their cause shone through his actions, he based his education on the three great principles of REASON, RELIGION and LOVING KINDNESS, loving those to whom he dedicated his life, as a caring father, and doing everything possible for their welfare. Don Bosco was attuned to the needs of his society. He did not visualise education in isolation from the community within whose parameters it functioned. Vocational guidance, vocational training, job placement and follow-up were as integral to Don Bosco's scheme of things as they are in modern education.

The system of education that emerged from these principles of Don Bosco is popularly known as the Preventive System and is the system that is used in St. Anthony's College. Joseph Zoppi, the Swiss educationist said, "If there ever existed a method of education adapted to inspire confidence and love, it is the method of Don Bosco."

OUR VISION

"Providing holistic and quality education within the reach of all"

OUR MISSION

"To mould intellectually competent, morally upright, socially committed and spiritually inspired persons capable of building a more humane social order within the context of the nation's plurality of religions and diversity of cultures"

ST. ANTHONY'S COLLEGE

(ESTD. 1934)

St. Anthony's College, Shillong, is an educational institution of the Catholic Church, belonging to and managed by the Salesians of Don Bosco Educational Society (registered under the Societies Registration Act of 1890: No SR/SAC-227/91 of 1991).

St. Anthony's College, named after the revered Christian saint, St. Anthony of Padua, aims to empower North East India's youth to become leaders across various fields. Established in 1934, it has evolved into a prominent institution offering a wide range of undergraduate and postgraduate programs. With a diverse student body and a staff of over 260, it reflects the region's multicultural essence.

Since 1985, the college has expanded its focus to include professional courses, contributing to regional development and self-employment opportunities. Notably, it introduced Performing Arts and became the first college in Meghalaya to offer a postgraduate degree course. Furthermore, it actively engages in extension activities, including supporting fishery projects and conducting cutting-edge research in biotechnology and orchid conservation.

The college campus, characterized by lush greenery, fosters an appreciation for nature. It has been at the forefront of computer education in the North East and continues to promote computer-based employment initiatives in collaboration with various governmental bodies.

Furthermore, it provides comprehensive student support services, including career guidance and placement assistance. Faculty members are also involved in guiding PhD scholars in diverse fields.

Embracing technological advancements, the college offers skill-based global certifications, ensuring its students are equipped for the modern workforce.

Guided by the educational ideals of St. John Bosco, Rev. Fr. Joseph Bacchiarello, a Don Bosco priest, established the college to make higher education accessible to all, especially the marginalized.

The college seeks to provide quality education for all sections of society reaching out especially to the socially, economically, culturally and educationally disadvantaged. The inclusive approach to management fosters a sense of community and shared responsibility among teachers, parents, students, and management. Additionally, the college prioritizes value-based teaching and solidarity, aiming to cultivate individuals who are intellectually capable, morally upright, socially engaged, and spiritually grounded.

The college prepares students not just for jobs, but also to be creators of opportunities. By pioneering application-oriented courses, the college addresses the evolving needs of society and provides graduates with a competitive edge in the job market.

Teaching is not just a profession but a lifelong commitment of every member of the faculty. The faculty members continuously upgrade their skills to ensure excellence, embodying the motto: "Ever More Better Ever."

College with Potential for Excellence UGC (2006 Onwards)

St. Anthony's College, Shillong, the first College in the North East to have been accredited (2000) by NAAC with a grade of five stars, was awarded the coveted status of "College with Potential for Excellence" (CPE), by the University Grants Commission (UGC) on 7th April 2006.

The award of the CPE status is a form of recognition by the UGC to Colleges, which are functioning well and have the potential to do excellent work in teaching and research. Out of the 16,100 Colleges in India which are eligible, the UGC has the objective of awarding the CPE status to about 160 Colleges (i.e. 1 %). We are proud that St. Anthony's College is placed among the top one percent of the large number of Colleges in India. The status was re-confirmed in 2009 and in 2014 till date.

DBT STAR COLLEGE SCHEME (2009 ONWARDS)

St. Anthony's College enjoys the support of the Department of Biotechnology (DBT), Ministry of Science and Technology (DST), Government of India under the DBT Star College Scheme since 2009. Six departments – Biochemistry, Biotechnology, Botany, Chemistry, Physics and Zoology are currently supported. The Scheme is aimed at improving and strengthening science education at the undergraduate level by imparting both hands-on skills and inter-departmental involvement to ensure the holistic development of the undergraduate students. With the support of the scheme, the students of the supported departments have shown tremendous progress in terms of pass percentage, progression on to higher studies and research with a marked improvement in skills imparted by hands-on activities. The faculty also enjoy the support in terms of funding for training programmes, workshops and seminars. The College is presently supported in the second phase of the scheme and is determined to continue striving towards excellence.

PLEASE NOTE

- The college has introduced a policy on uniform from academic session 2023-24. It is mandatory for all the students of the college to wear uniform.
- **Students** once admitted are also bound by the norms of the college specified in the College Prospectus and the College Handbook.
- **We do not accept donation** in whatsoever form. Please inform if there is any such approach for soliciting favour at any level and by anyone.
- The use of **Mobile phones is strictly prohibited** in the College Campus.
- **Ragging** is a punishable crime. There should not be any form of ragging or intimidation of any sort. If anyone is found guilty of such acts he/she will be expelled forthwith.
- Compulsory Courses for the overall development of students

POSTGRADUATE PROGRAMMES

The College is affiliated to the North Eastern Hill University for the postgraduate Degree Courses. The duration of the postgraduate courses is two years consisting of four semesters and one year for the diploma courses. At present the College offers four PG Courses leading to Master's Degree, one Diploma in Computer Applications (PGDCA) and another in Hospitality Management. The MCA course is approved by AICTE.

1. MSc BIOTECHNOLOGY
2. MCA (MASTER OF COMPUTER APPLICATIONS)
3. M.A. EDUCATION
4. M.A. POLITICAL SCIENCE
5. POST GRADUATE DIPLOMA IN COMPUTER APPLICATIONS (PGDCA)
6. DIPLOMA IN HOSPITALITY MANAGEMENT

1. M. Sc. BIOTECHNOLOGY

India is among the top global biotechnological powers and the number of people employed for research and development in this booming industry grows nearly 50% annually. Blessed with rich natural biodiversity, Meghalaya and the entire North Eastern Region holds great potential and promise in the field of Biotechnology. Keenly aware of these opportunities, **St. Anthony's College** has initiated the Master of Science Programme in Biotechnology. The principal objective of this post graduate programme is to develop trained man power who can exploit the abundant bio-resources of the North-Eastern region, particularly Meghalaya. The rich bio-diversity of the North East provides many opportunities to the youth to build careers in areas that utilise life forms for the production of consumer items. Apart from teaching the commercialisation of bio-techniques, the course also aims to equip students to explore the molecular basis of biological diversity using the current techniques in genomic and the proteomics, so that they develop a deeper understanding of eco-systems and contribute to sustainable development of the Northeast.

FEES

Semester academic fee can be paid in two instalments as per the schedule given below:

Odd Semester		Even Semester	
1 st Installment	2 nd Installment	1 st Installment	2 nd Installment
Date of Admission	10 th November	20 th February	10 th June

- All late fee payments will carry a fine of ₹ 250.00 per month.
- For the 2nd Years of PG Courses, the annual fee payable will be as in the first year, subtracting the components of Enrolment Fee, Registration Fee, Library Deposit, Caution Deposits (if any) and Identity Card Fee .

All payment of **ADMISSION FEES** is to be made **ONLINE** using the College Portal (<https://admission.anthonys.ac.in>) OR through the link provided as **SMS** or **EMAIL** to the **SELECTED CANDIDATES**. The fees are liable to be changed from year to year.

Alumni Membership

Every student will need to pay an amount of ₹ 250/- for the life-long alumni membership.

2. MASTER OF COMPUTER APPLICATIONS (MCA)

For the last several years now, *St. Anthony's College* has been in the vanguard of Professional Education in the North Eastern region of India. In pursuance of its continued efforts, it has introduced the Post Graduate Programme of Master of Computer Applications (MCA) from 2007. The college is affiliated to the North Eastern Hill University (NEHU) and approved by All India Council of Technical Education (AICTE) to offer the MCA programme. This two-year Master of Computer Applications (MCA) course aims to prepare candidates for the IT industry. It will provide the necessary theoretical foundation and the skills to make the successful candidates proficient in software development, paving the way for self-employment. The core

focus of the course is on Database, Application Programming, System Level Programming and Network and Internet Technologies. Adequate emphasis is given to the Open Source Software platform and emerging technologies. The need for continuity in the electives offered in the second and third semesters, leading to desired specialisation, has been given due attention.

The Audit Courses included in the syllabus, one per year, would give the candidates soft skills necessary for the employment market.

Every student will need to pay an amount of ₹ 250/- for the life-long alumni membership.

3. MASTER OF ARTS IN POLITICAL SCIENCE (M.A.)

Political Science focuses on the theory and practice of government and politics at the international, national, state and local levels. It helps students to understand the institutions, practices and relations that constitute the public life. As a discipline, it uses different approaches and the courses taught equip students with critical knowledge and skills that are essential in their career.

St. Anthony's College offers a two year (four semesters) Master of Arts in Political Science. The college is affiliated to NEHU, Shillong, and the programme offered is identical to the one offered by the university. The course structure is as follows:

COURSE STRUCTURE OF POSTGRADUATE (PG) PROGRAMME IN POLITICAL SCIENCE UNDER NEP-2020

FIRST SEMESTER			
Paper Code	Paper	No. of Papers	Total Credit
	Core Course (CC)	2	8
POLCC 500	1. Liberal Traditions in Western Political Theory		
POLCC501	2. Theories of International Politics		
POLDSEC502	Discipline-Specific Elective Course (DSEC)	2	8
Any one of the following;	1. Issues & Governance in Public Administration		
	2. Globalization		
	3. Democracy in India		
POLDSEC503	1. Indian Political System		
Any one of the following;	2. Administrative Theory		
	3. Marxist Political Theory		
POLGEC504	Generic Elective Course (GEC) (Multidisciplinary)	1	4
Any one of the following;	1. Issues in Environmental Politics		
	2. Cinema, Nation and Politics		
	3. Politics of Social Movements in India		
	Total	5	20
SECOND SEMESTER			
	Core Course (CC)	2	8
POLCC505	1. Critical Traditions in Western Political Theory		
POLCC506	2. Comparative Politics		
POLDSEC507	Discipline-Specific Elective Course (DSEC)	2	8
Any one of the following	1. Development Administration		
	2. Indian Political Economy		
	3. South Asian Political System		
	4. International Political Economy		
POLDSEC58	1 International Law & International Organization		
Any one of the following	2. Problems of International Politics		
	3. East Asian Political System		
	4. Third World Political Theory		

POLRM509	Research Methodology	1	4
POLSEC510	Skill Enhancement Course (SEC): Public policy	1	4
	Total	6	24
THIRD SEMESTER			
	Core Course (CC)	3	12
POLCC600	1. Political Ideas in Indian Tradition		
POLCC601	2. Human Rights		
POLCC602	3. Government and Politics in Northeast India		
POLDSEC603 Any one of the following	Discipline-Specific Elective Course (DSEC) (With research focus) (3papers)	3	12
	1. State Politics in India		
	2. Issues in Women Politics		
	3. Foreign Policy of Select Countries		
POLDSEC604 Any one of the following	1. Politics of West Asia		
	2. Political Sociology		
	3. Electoral Politics in India		
POLDSEC605 Any one of the following;	1. Political Economy of the Hill Areas of Northeast India		
	2. Political Ideologies		
	3. South East Asian Political system		
	Total	6	24
FOURTH SEMESTER			
POLDSEC606	Dissertation (DSEC)	1	20
	Problem Identification and Review of Related Literature		
	Proposal Writing and Presentation		
	Data Collection		
	Data Analysis, Interpretation and Discussion.		
	Report Writing		
	Viva-Voce		
	Total	1	20

4. MASTER OF ARTS IN EDUCATION (M.A.)

Education is the basis for development and empowerment for every nation. The development of a nation is not measured through the buildings it has built, the roads it has laid down, bridges it has constructed but by the human resources, the nation has developed through a well-defined system of education. Indian higher education system is the third largest in the world, next to the United States and China. India as a developing nation is contentiously progressing in the education field and there will be a tremendous pressure of numbers on this system and a large number of additional students will be knocking at the doors of higher education institutions in the country. Thus, the role of colleges and universities in the new millennium, and emerging scientific research on how people learn is of utmost important. St Anthony's College, Shillong has taken the initiative to introduce Post Graduate programme of Masters of Education. The main objective of this programme is to provide holistic and quality education within the reach of all.

COURSE STRUCTURE OF POSTGRADUATE (PG) PROGRAMME IN EDUCATION UNDER NEP-2020

FIRST SEMESTER			
Course Code	Name of Course	No. of Course	Credit
EDN-CC 500	Philosophical Foundations of Education	1	4

- **DATES OF COUNSELLING :** After the declaration of NEHU undergraduate 6th Semester Results. The dates will be notified.
- **STARTING OF ACADEMIC SESSION :** It will be notified to the admitted candidates.

6. POST GRADUATE DIPLOMA IN COMPUTER APPLICATIONS (PGDCA)

The Post Graduate Diploma Course in Computer Applications (PGDCA) is a one-year course spread over two semesters. It starts in July every year. The course content is modelled after the syllabi of comparable programmes conducted by the top universities of India and the DOEACC (Ministry of Information Technology, Government of India, and AICTE).

The course is employment-oriented. It provides a strong foundation in the theoretical concepts of computer science as well as a firm grounding in Visual Programming Languages. Started in 1993, the course content has been constantly updated to realise its main objectives. It is designed to enable one to undertake software applications for business and industry. Successful candidates could also opt for a teaching career in secondary and higher secondary schools. The final diploma is awarded by the North Eastern Hill University after completion of the second semester examinations. Being a recognised Post-Graduate Diploma from a Central University, it commands wider acceptability and prestige compared to the Certificates awarded by computer training institutes.

COURSE TIMINGS

Duration	:	Starts in July and ends in June of the following year
Time	:	3:00 pm to 6:00 pm (Monday to Friday)

SCHEDULE FOR ADMISSION AND CLASSES

- **PERSONAL INTERVIEW** : After the declaration of NEHU undergraduate 6th Semester Results. The dates will be notified.
- **CLASSES** : It will be notified

COURSE FEES

Tuition & Course Materials : ₹ 20,000 (payable in three instalments of ₹ 8,000 on admission, ₹ 7,000 in October and ₹ 5,000 in February of the following year)

Session Fees (to be paid at the time of admission)

Admission Fees	:	₹	200
Caution Deposit	:	₹	500 (refundable on completion of the course)
Tests and Examinations	:	₹	800
Software Licensing	:	₹	1000
Development Fund	:	₹	900
Building	:	₹	600
Maintenance	:	₹	1000
College Journal	:	₹	300
Identity Card	:	₹	200

UGC-APPROVED CAREER ORIENTED COURSES

In addition to the various UG and PG Programmes the college also offers various UGC-Approved Courses and other certificate Courses such as

- TALLY ERP 9
- DESKTOP PUBLISHING
- CISCO CERTIFIED NETWORK ASSOCIATE (CCNA)

CERTIFICATE COURSES IN COMPUTER APPLICATIONS

- Introduction to IT
- Tally
- C++
- Programming in JAVA
- Programming in Python
- Web Designing and HTML
- Multimedia
- 2D and 3D modelling and Animation
- Digital photo editing using Adobe Photoshop
- Digital Video Editing using Adobe Premiere
- DTP and other certificate courses (Contact the Department of Computer Science for details)

Policy of refund of the fee in case of withdrawal :

Fees refund will be as per the college Admission Policy

Reception

GENERAL INFORMATION

ADMISSIONS

23

UNDER GRADUATE COURSES

The admission process for the FYUG Programmes commences after the declaration of the results of the HSSLC Examinations (Arts, Commerce, Science and Vocational) of the Meghalaya Board and the CUET results.

- The College is desirous of maintaining a 60 - 40 ratio of boys to girls in its undergraduate admission.
- Outstanding sports persons who have made distinction at the State and National levels will be accorded special consideration
- Some seats are reserved for differently-abled persons, minimum eligibility criteria, however, will be applicable.
- The college follows its own Admission Policy (<https://anthonys.ac.in/pages/policies/policies.php>).
- The management reserves the right to grant or deny admission.
- Reserved seats for Management in every shift of a programme is 10%.

ATTENDANCE

Attendance is compulsory. A student absenting himself/herself from one or more classes will lose the day's attendance. Students having less than 75% attendance are liable to be debarred from Examinations. Any student who is absent for one month will have his/her name removed from the College Registers. Admission Fees will have to be paid anew if the student is allowed to join back.

ASSESSMENT OF STUDENTS

Continuous assessment of the students is done by the college through regular tests, projects and assignments. There will be Sessional tests and internal assessment tests. If a student does not pass he / she may be debarred from appearing in the End Semester Examinations. The marks secured by the students at these assessment tests are taken into consideration at the time of sending up the students for University Examinations. The Examination Committee's decision in this regard is final and binding.

COMPULSORY NON-ACADEMIC PROGRAMMES

It has been the aim of the college to make all students well equipped to face the realities of life. All students should attend the following non-academic programmes during their life in the College.

1. Computer Skills
2. Personality Development
3. Value Education

COLLEGE OFFICES

The administrative offices of the College are located on the ground floor, adjacent to the main lobby, for the convenience of the staff, the students and the general public. The offices look after the following matters:

Reception : All Enquiries

Office 1 : Accounts and Finances

Office 2 : Administrative Activities

Office 3 : Admission and Examinations

Office 4 : Confidential/Mark Sheets

Office 5 : Scholarship

HOSTELS

There are two hostels, namely, Stephen Hall with a capacity of 200+ seats for boys and Mamma Margaret Hall with a capacity of 100+ seats for girls. Applications for the hostel accommodations are to be made to the Warden of the respective hostel. A keen sense of discipline, a more-than-average capacity for sustained study and a sincere readiness to live as brothers/sisters with members of other communities are necessary conditions to get a seat in the hostel and retain it.

AWARDS

The following awards (cash prizes and citation), instituted by the College and Donors, are disbursed every year for the toppers in the college at the Final Year / Semester University Examinations.

Award	Subject	Award	Subject
Fr. J. Bacchiarello	Khasi	Fr. I. Ricaldone	Economics
Fr. D. Wollaston	Political Science	Fr. J. Arokiaswamy	Mass Communication
Fr. N. J. Kenny	History	Prof. S. N. Paul	Chemistry
Prof. A.G. Varghese	English	Prof. T.C. Dutta	Botany
Prof. S.P. Ghosh	Commerce	Shri. R. N. Bhattacharjee	Zoology
Mrs. C. War & Mr. P. Pakma	Computer Science	Fr. H. Elias	Media Technologies
Archbishop Stephen Ferrando	Geology	Mr. C.K. Chakraborty and Mrs. K. Chakraborty	Philosophy
Fr. C. Vendrame	MCA	Archbishop T. Resto Phanrang	Business Administration
Bishop M. Kochuparambil	M.Sc. Biotechnology	Archbishop Hubert D’Rosario	Highest Marks in the College
Dr. ĩaibadaiahun Nongrum	Biotechnology		
College Awards are given to the remaning subjects.			

SILOAM

Siloam is the centre of the outreach programmes of St. Anthony’s College. It is a centre which focuses on psychological, spiritual and developmental issues of students, youth, couples, families as well as professionals involved in various leadership roles towards renewal and reorientation. Besides, the centre envisages intervention in educational testing and evaluation, aptitude tests, promotion of self-confidence and self-esteem, personal and interpersonal communication skills, education to peace and cultural integration. Situated on an idyllic hillside on the shores of the Umi-am lake, Siloam is an ideal situation for the outreach programmes which aim at the holistic development of the human being – which, in the final analysis, is education.

Director: Fr. George Palamattam SDB

Contact No: +91 94361-10438

The College maintains a well-stocked, computerised library, containing different sections devoted to each subject. The college also subscribes to a number of journals in various subjects. The library has a reference section, which houses the journals, encyclopaedias, past question papers of the university and other books which are available only for reference purposes. The reading room attached to the library subscribes to journals, magazines and newspapers, both regional and national and also international. The library also houses the Internet facility over a number of net-worked computers which is available to the students for research purposes all through library hours. Students are encouraged to augment classroom learning by using

the knowledge based available over the internet. On all working days the College Library will remain opened from 8.30 a.m. to 7.00 p.m. Students are requested to take advantage of the facilities.

RFID Technology: The transaction work in the library is being done by using the Radio Frequency Identification (RFID) technology which is of late the latest technology used in library.

The college subscribes to many popular e-books and e-Journals like :

- IEEE xplore
- INFLIBNET
- JSTOR, J-Gate, N-List (Inflibnet), DeLCON, etc.
- Library also provides additional services like:
 1. Printouts/Scanning
 2. Photocopying

CO-CURRICULAR & EXTENSION ACTIVITIES

| 27

Apart from the degree, certificate and diploma courses mentioned above, the College also conducts several other extra academic workshops and programmes. The following are some of them:

SOFT SKILLS

In order to better equip our students for employability in today's job market, the College conducts sessions in various Soft Skills. All final year students are required to complete this course on Soft Skills and attain the certificate prior to attending the End Six Semester Examination.

PERSONALITY DEVELOPMENT

We, at St. Anthony's believe that education is to touch the entire person as a whole. While the intellect is formed with knowledge and experience in the classrooms, developing of values of the heart is also to be given much importance. The Department of Value Education looks into organising sessions of this interest for all the students in the College and at our Extension Centre in Siloam. These sessions are compulsory for all.

COACHING PROGRAMMES

Student Development Services (SDS) department is the Centre for Career and Personal Guidance of St. Anthony's College. The Coaching Programme for various Civil Services and Banking and CUET are being conducted from time to time by the SDS to enable students to prepare themselves for these tough, highly competitive Examinations. The programme has had a good response and good results.

M.SC (BIOTECHNOLOGY) COACHING PROGRAMME

The Coaching Programme organised by the SDS each year is aimed at preparing the students of Life Sciences for the M.Sc (Biotechnology) entrance tests conducted by JNU and by the IITs (JAM). As the students of Life Sciences are typically out of touch with Mathematics and Physics during their years of graduate studies and as these subjects form an integral part of the entrance tests, this coaching programme concentrates on Physics and Mathematics required for these tests.

SOFTWARE DEVELOPMENT TEAM

A Software Development Cell has been functioning in the College for the past several years having to its credit several original software packages that have been developed and implemented in a number of institutions.

TISSUE CULTURE

The tissue culture enthusiasts in the Department of Biotechnology have had considerable success in the mass multiplication and propagation of ornamental plants. Groups of students are actively involved in science projects sponsored by the Department of Science & Technology (Government of Meghalaya) and research projects undertaken by the Staff sponsored by a variety of Central Government agencies: Tissue culture in orchids (Department of Botany)-DBT, Induced Breeding of Fish (Department of Fishery Science)-DST, Pesticides & Insecticides (Department of Chemistry)-ICAR, NATP, CGP - II, UGC.

Sports, both outdoor and indoor, play a very important role in the life of St. Anthony's College. Every Anthonian is encouraged to take an active part in the sports activities of the College. Within the campus itself, there are two Basketball courts, two Volleyball courts, a Badminton Court and a Tennis court. It also has access to the mini stadium at the old campus of the College for Football. Apart from this, facilities for almost every indoor game is provided within the college itself. The College Week is a special time when every form of sports activity takes the front seat.

CLUBS & GROUP ACTIVITIES

The college encourages the formation of student clubs under the guidance of the teaching staff. The clubs functioning in the College are: The Environmental Club under the Department of Botany, the Media Club under the Department of Mass Communication, the Cyber Club under the Department of Computer Science, the Literary Club of the Department of English are doing a splendid job. The Botanical Garden of the College, maintained by the Department of Botany is the storehouse of a variety of rare species of plants. Other clubs also includes - Jesus Youth, AYC (Anthonian Youth Club), MINOVA, ASTRO, SACMUN, Commerce and others.

Since 1995, the SDS, a brainchild of the College and supported by the All India Association for Christian Higher Education, has been a beacon of holistic student development. Offering personal, educational, and vocational guidance, it tackles societal threats like alcoholism, drug abuse, and AIDS through education and prevention. SDS hosts coaching programs, workshops, and facilitates campus interviews and placements. Email: placement@anthonys.ac.in.

Coordinator : Fr. Joby Joseph sdb

STUDENT DEVELOPMENT SERVICES (SDS)

COLLEGE COUNSELLING CELL

The college has a qualified full time personal counsellor available for the students. All are encouraged to avail the counselling facility and the chamber of the full time counsellor is on the first floor of the main building of the college.

In addition to the full time counsellor, additional counsellors are available in the college on every Tuesday and Thursday post noon in the Alumni Office (Media-IT Annexe).

College Counsellors : Smt. Arlene Kharnongrum
: Fr. George Palamattam sdb, PhD

CAMPUS RECRUITMENT

The College has an active Placement Cell with a full-time Placement officer. This cell which is a part of the Student Development Services has been successful in bringing recruiters to the College campus. In the past also, the SDS has been able to invite prospective recruiters to the college. Many of our graduates and post-graduates have got placements in well known companies and institutes. Some of the prominent ones are listed below:

TCS (Techno.), TCS BPS, Infosys, Wipro Tech., Wipro WISE, UNISYS, Low Lintas, etc.

GENERAL NORMS

| 31

1. The college has introduced a policy on uniform from academic session 2023-24. **It is mandatory for all the students of the college to wear uniform.**
2. **SMOKING** and **DRUGS** are strictly forbidden in the College Campus. The entire campus is a smoke-free zone.
3. **COMMUNAL HARMONY** is to be preserved and fostered by word and deed.

10. Using of **SOCIAL MEDIA**/other media to speak or write against the college, teachers or the department is strictly prohibited.

St. Anthony's College believes, promotes and practices the highest standard of ethics and conduct

Why Anthony's...

St. Anthony's College has a unique place in the history of education in the Salesian Congregation. It is the distinction of being the number one in several ways.

Rev. Fr. Pascual V. Chavez SDB
Rector Major,
Don Bosco Society, Rome

*It is the first ever University College in Salesian history.
It is the first college in the State of Meghalaya for the indigenous people.
It is the college where Shillong students seek admission first I suppose,
that it is the first in quality and all - round education of the young...*

Shri. R. S. Mooshahary
Governor, Meghalaya

I am a proud alumnus of this College. I am an Anthonian myself and I feel great when i see that my College is the best in the region...

Rt. Rev. Dominic Jala SDB, DD
Archbishop, Shillong

The vision and mission of this educational institution is guided by Gospel values, by the teachings of the Church and the spirit of Don Bosco. We are proud of the way in which St. Anthony's College has not only become noted as a premier educational community but more so of the Christian character that it bears and seeks to live by.

NAAC Peer Team
Re-accreditation Visit

*The college has a healthy academic ambience...
Students love their college, alumni are proud of their Alma Mater and parents have confidence in the institution...
A multi faculty college ranked "With Potential for Excellence".*
