DON BOSCO
(1815-1888)

His vision ... our inspiration

Saint John Bosco, popularly known as Don Bosco was born at Becchi, in Piedmont, Italy, on August 16, 1815. From a very young age, he had decided that he had been called to work for the poor boys of that era, when Europe was under the grip of the Industrial Revolution, and many young people who came to the cities to study or in search of work who fell an easy prey to the many social evils of the time. After being ordained a priest of the Catholic Church in 1841, Don Bosco came to the rescue of these poor boys with his novel method of educating youth through total dedication and personal involvement in their lives and problems.

To ensure that his total dedication to their cause shone through his actions, he based his education on the three great principles of REASON, RELIGION and LOVING KINDNESS, loving those to whom he dedicated his life, as a caring father, and doing everything possible for their welfare. Don Bosco was attuned to the needs of his society. He did not visualise education in isolation from the community within whose parameters it functioned. Vocational guidance, vocational training, job placement and follow-up were as integral to Don Bosco's scheme of things as they are in modern education.

The system of education that emerged from these principles of Don Bosco is popularly known as the Preventive System and is the system that is used in St. Anthony's College. Joseph Zoppi, the Swiss educationist said, "If there ever existed a method of education adapted to inspire confidence and love, it is the method of Don Bosco."

OUR VISION

"Providing holistic and quality education within the reach of all"

OUR MISSION

"To mould intellectually competent, morally upright, socially committed and spiritually inspired persons capable of building a more humane social order within the context of the nation's plurality of religions and diversity of cultures"

St. Anthony's College
(ESTD.1934)

St. Anthony's College, Shillong, is an educational institution of the Catholic Church, belonging to and managed by the Salesians of Don Bosco Educational Society (registered under the Societies Registration Act of 1890: No SR/SAC-227/91 of 1991).

St. Anthony's College, named after the revered Christian saint, St. Anthony of Padua, aims to empower North East India's youth to become leaders across various fields. Established in 1934, it has evolved into a prominent institution offering a wide range of undergraduate and postgraduate programs. With a diverse student body and a staff of over 260, it reflects the region's multicultural essence.

Since 1985, the college has expanded its focus to include professional courses, contributing to regional development and self-employment opportunities. Notably, it introduced Performing Arts and became the first college in Meghalaya to offer a postgraduate degree course. Furthermore, it actively engages in extension activities, including supporting fishery projects and conducting cutting-edge research in biotechnology and orchid conservation.

The college campus, characterized by lush greenery, fosters an appreciation for nature. It has been at the forefront of computer education in the North East and continues to promote computer-based employment initiatives in collaboration with various governmental bodies.

Furthermore, it provides comprehensive student support services, including career guidance and placement assistance. Faculty members are also involved in guiding PhD scholars in diverse fields.

Embracing technological advancements, the college offers skill-based global certifications, ensuring its students are equipped for the modern workforce.

DON BOSCO
our Father & Teacher

Guided by the educational ideals of St. John Bosco, Rev. Fr. Joseph Bacchiarello, a Don Bosco priest, established the college to make higher education accessible to all, especially the marginalized.

The college seeks to provide quality education for all sections of society reaching out especially to the socially, economically, culturally and educationally disadvantaged. The inclusive approach to management fosters a sense of community and shared responsibility among teachers, parents, students, and management. Additionally, the college prioritize value-based teaching and solidarity, aiming to cultivate individuals who are intellectually capable, morally upright, socially engaged, and spiritually grounded.

The college prepares students not just for jobs, but also to be creators of opportunities. By pioneering application-oriented courses, the college address the evolving needs of society and provide graduates with a competitive edge in the job market.

Teaching is not just a profession but a lifelong commitment of every member of the faculty. The faculty members continuously upgrade their skills to ensure excellence, embodying the motto: "Ever More Better Ever."

College with Potential for Excellence
UGC (2006 Onwards)

St. Anthony's College, Shillong, the first College in the North East to have been accredited (2000) by NAAC with a grade of five stars, was awarded the coveted status of "College with Potential for Excellence" (CPE), by the University Grants Commission (UGC) on 7th April 2006.

The award of the CPE status is a form of recognition by the UGC to Colleges, which are functioning well and have the potential to do excellent work in teaching and research. Out of the 16,100 Colleges in India which are eligible, the UGC has the objective of awarding the CPE status to about 160 Colleges (i.e. 1 %). We are proud that St. Anthony's College is placed among the top one percent of the large number of Colleges in India. The status was re-confirmed in 2009 and in 2014 till date.

DBT STAR COLLEGE SCHEME
(2009 ONWARDS)

St. Anthony's College enjoys the support of the Department of Biotechnology (DBT), Ministry of Science and Technology (DST), Government of India under the DBT Star College Scheme since 2009. Six departments – Biochemistry, Biotechnology, Botany, Chemistry, Physics and Zoology are currently supported. The Scheme is aimed at improving and strengthening science education at the undergraduate level by imparting both hands-on skills and inter-departmental involvement to ensure the holistic development of the undergraduate students. With the support of the scheme, the students of the supported departments have shown tremendous progress in terms of pass percentage, progression on to higher studies and research with a marked improvement in skills imparted by hands-on activities. The faculty also enjoy the support in terms of funding for training programmes, workshops and seminars. The College is presently supported in the second phase of the scheme and is determined to continue striving towards excellence.

DST-FIST (Department of Science and Technology)

SILOAM

Siloam is the centre of the outreach programmes of St. Anthony's College. It is a centre which focuses on psychological, spiritual and developmental issues of students, youth, couples, families as well as professionals involved in various leadership roles towards renewal and reorientation. Besides, the centre envisages intervention in educational testing and evaluation, aptitude tests, promotion of self-confidence and self-esteem, personal and interpersonal communication skills, education to peace and cultural integration. Situated on an idyllic hillside on the shores of the Umiam lake, Siloam is an ideal situation for the outreach programmes which aim at the holistic development of the human being – which, in the final analysis, is education.

Co-Curricular & Extension Activities

Apart from the degree, certificate and diploma courses mentioned above, the College also conducts several other extra academic workshops and programmes. The following are some of them:

SOFT SKILLS

In order to better equip our students for employability in today's job market, the College conducts sessions in various Soft Skills. All final year students are required to complete this course on Soft Skills and attain the certificate prior to attending the End Six Semester Examination.

PERSONALITY DEVELOPMENT

We, at St. Anthony's believe that education is to touch the entire person as a whole. While the intellect is formed with knowledge and experience in the classrooms, developing of values of the heart is also to be given much importance. The Department of Value Education looks into organising sessions of this interest for all the students in the College and at our Extension Centre in Siloam. These sessions are compulsory for all.

COACHING PROGRAMMES

Student Development Services (SDS) department is the Centre for Career and Personal Guidance of St. Anthony's College. The Coaching Programme for various Civil Services and Banking and CUET are being conducted from time to time by the SDS to enable students to prepare themselves for these tough, highly competitive Examinations. The programme has had a good response and good results.

M.SC (BIOTECHNOLOGY) COACHING PROGRAMME

The Coaching Programme organised by the SDS each year is aimed at preparing the students of Life Sciences for the M.Sc (Biotechnology) entrance tests conducted by JNU and by the IITs (JAM). As the students of Life Sciences are typically out of touch with Mathematics and Physics during their years of graduate studies and as these subjects form an integral part of the entrance tests, this coaching programme concentrates on Physics and Mathematics required for these tests.

INTRODUCTION TO COMPUTERS

An introductory course in Personal Computer Software is conducted every year by the Cyber Club of the College. The Course is conducted by the student - members of the Cyber Club for other students who have not been introduced to computers.

ORIENTATION PROGRAMME

The Orientation Programme organised at the beginning of each academic year by the Value Education Department and SDS for the students of the college has the purpose of fostering personal growth, interpersonal relationship and principles of value-based life style in an atmosphere of friendship and informality. The programme helps the students to meet their companions in a non-academic atmosphere and sow the seeds of mutual understanding and friendship among them. This is essential, considering the multi-ethnic make up of the students of the college.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme is a voluntary organisation of College Students under the Union Ministry of Human Resource Development established during 1969-70 to inculcate social consciousness and a sense of responsibility, discipline and dignity of labour among the youth. The College Unit of the NSS is vibrant with activities and takes up a number of adult education and health-education programmes each year under the guidance of the dedicated Programme Officers.

NCC (National Cadet Corps) is a national organisation which has helped in inculcating in the cadets a spirit of courage, confidence, self-reliance, selfless service, a feeling of patriotism, faith in oneself, power of thought and adjustment which are essential to make the youth disciplined and dutiful. St. Anthony's College is attached to the 41 Meghalaya Artillery Battery NCC and 61 Meghalaya Girls' Bn NCC for NCC activities under the leadership of Shri G. S. Swett (Boys) and Smt Dayomika R. Kharsyntiew (Girls).

NATIONAL CADET CORPS (NCC)

Rangers' and Rovers' Wings have been started in the College with a view to providing students with ample opportunities for personal development and avenues for meaningful involvement in outreach programmes.

RANGERS & ROVERS

SPORTS

Sports, both outdoor and indoor, play a very important role in the life of St. Anthony's College. Every Anthonian is encouraged to take an active part in the sports activities of the College. Why Anthony's...

St. Anthony's College has a unique place in the history of education in the Salesian Congregation. It is the distinction of being the number one in several ways.

Rev. Fr. Pascual V. Chavez SDB
Rector Major,
Don Bosco Society, Rome

It is the first ever University College in Salesian history.
It is the first college in the State of Meghalaya for the indigenous people.
It is the college where Shillong students seek admission first I suppose, that it is the first in quality and all - round education of the young...

Shri. R. S. Mooshahary
Governor, Meghalaya

I am a proud alumnus of this College. I am an Anthonian myself and I feel great when i see that my College is the best in the region...
Rt. Rev. Dominic Jala SDB, DD
Archbishop, Shillong

The vision and mission of this educational institution is guided by Gospel values, by the teachings of the Church and the spirit of Don Bosco. We are proud of the way in which St. Anthony's College has not only become noted as a premier educational community but more so of the Christian character that it bears and seeks to live by.
